Three one-act plays are basis of 'The Apple Tree'

This year's Maryvale drama students produced three plays. For their fall production "The Man" was played by Chuck Sigars. During Christmas time Margaret Matteson played Dorothy in the "Wizard of Oz." Their final production in the spring brought "The Apple Tree"

consisting of Adam and Eve, Passionella, and The Lady and The Tiger.

First Annual 'Flapjack Fling' feeds hungry faculty, students

In order to strengthen ties among faculty, students and the community, the Human Relations Committee sponsered the first annual pancake breakfast December 12. It was such a success that the second annual pancake breakfast was held January 19.

If its purpose was to bring all elements of the school together, it was a success as students, parents, faculty and administration all pitched in to prepare, cook, serve and eat some 1200 pancakes.

First place float went to the Freshman Class, Second Concert Choir and Third Club. The National Guard furnished some flatbeds.

Tragic Week brings safety demonstrations

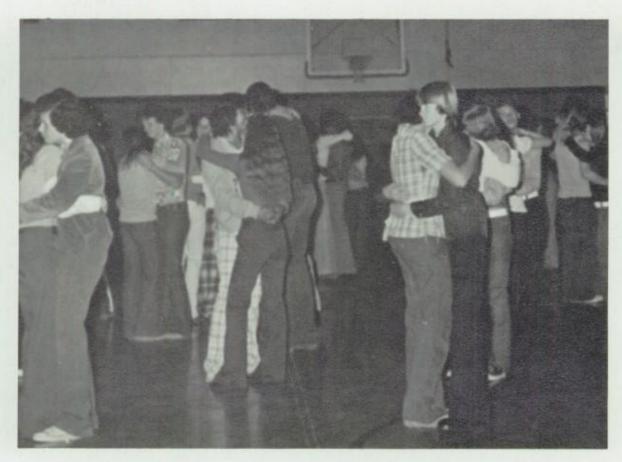

Safety week at Maryvale started with the breathalizer test on Monday. Pedestrian safety was on Tuesday, with bicycle safety on Wednesday having students numbers stamped on bikes. Thursday there were depth perception tests. Police came on Friday to show how the radar tracker works and to finish the week off, a dance was held.

Mr. George Miller helped students with scheduling problems and, in his quiet way, fought the battle of the budget, helping teachers get supplies and materials in a time of inflation and shortages.

Magnusson Hamlin reach 10-year level

Mr. Bernard Magnusson and Mrs. Jane Hamlin completed 10 years of service to the students of Maryvale this year. While the job of administrative assistant is a thankless one, these two people do it efficiently and in good humor.

In addition to their jobs as disciplinarians, Mr. Magnusson is athletic director while Mrs. Hamlin handles community relations chores.

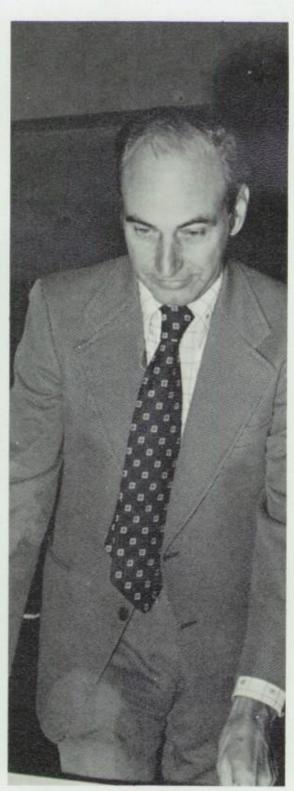

Administration, faculty, support student effort

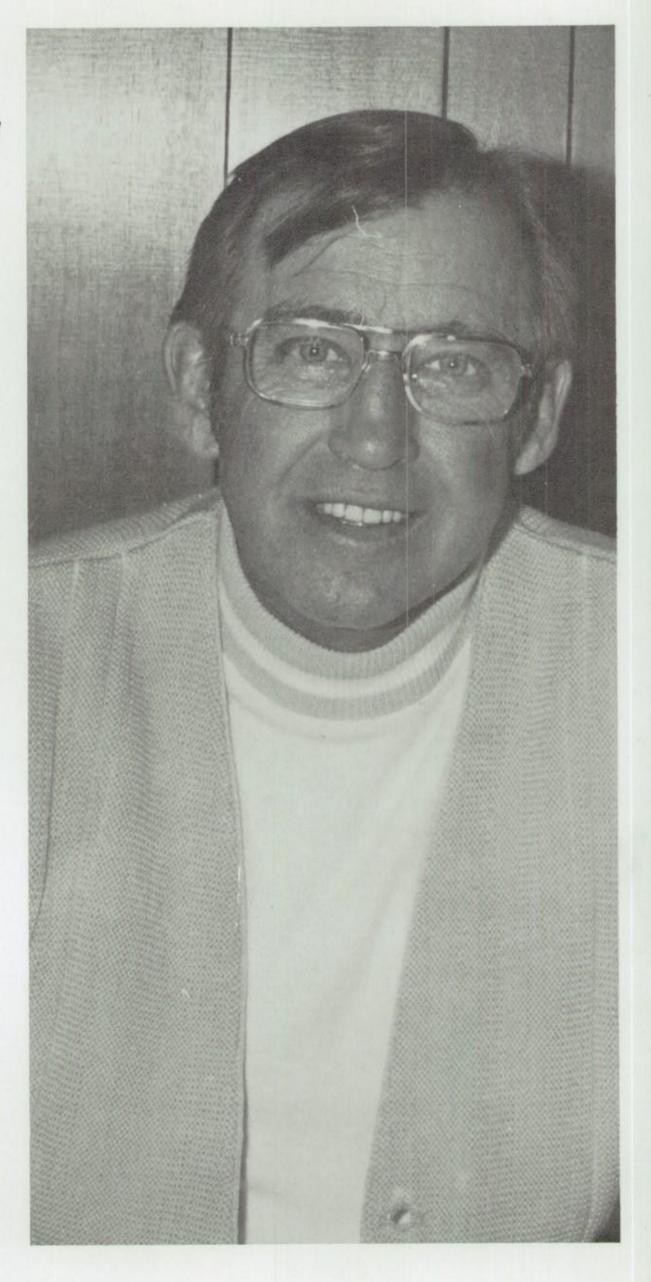

Geiler plans revolutionary new school

Although he is not classified an administrator but as a teacher on assignment, Mr. Vae Geiler has nurtured the night school from meager beginnings to program where hundreds of adults and young people have an opportunity to further their education.

Not satisfied with the success of the night school, he has devoted much time this year to planning "Moonrise High School," which would turn the Maryvale · campus into an alternative to the regular high school. This concept would bring a full curriculum for those who cannot attend the regular school day.

Study period is required of freshman

A trend toward the traditional seemed to describe 1774-75 as far as the curriculum was concerned.

The removal of required homeroom once a week led to other experiments to humanize and personalize education in a school grown so large as to make such efforts necessary.

On the whole the biggest change was the institution of study hall for freshmen. This was done to cut down on problems attendant with offering only five subjects in an eightperiod day. It was thought the freshmen were too young to handle the responsibility of free time between classes.

Individually, the departments within the school tried to offer courses that would appeal to students and at the same time meet requirements set by the state and the local school board.

Selectives go from English study courses

The English department, largest in the school, chose to return to basic courses this year scrapping the selectives program for all students except seniors and in some limited cases, juniors. The difficulty of scheduling the selectives as well as multiple preparations teachers was given as the principal reason. A part-time teacher, Mrs. Sharon Swanick joined the department this year. Mr. George Brown is chairman.

Business English as a course that carries graduation credit was the only new class offered in the Business department. Mrs. Barbara Shoaf taught the course.

'67 graduate Gary Coley now teaches

The Art department contined its Dimensions program to give a survey of courses in art to entering freshmen. Mrs. Elizabeth Meineke is chairman of the Art department.

The biggest departmental news was made in Social Studies where Mrs. Judith Harkelroad invaded this formerly all-male baliwick, the first of her sex to do so. Mr. Mack Stanley also joined this land of "musical" Free Enterprise. When this class was mandated by the state legislature, it was offered as a senior course.

The Reading department lost the services of its chairman. Mr. Tom Visco was called to serve at the district level. Mrs. Margaret Owen took over his departmental duties.

Another first was scored by the boy's Physical Education department as the first ex-Maryvale student to teach here, Mr. Gary Coley was hired this year. Mr. Gerald Jones and Mr. Robert Brodt also joined Coach Gil Trejo's department.

Girl's P.E. got three new faculty members: Blanche Berry, Beverly Bostrom, and Rogelia Holguin.

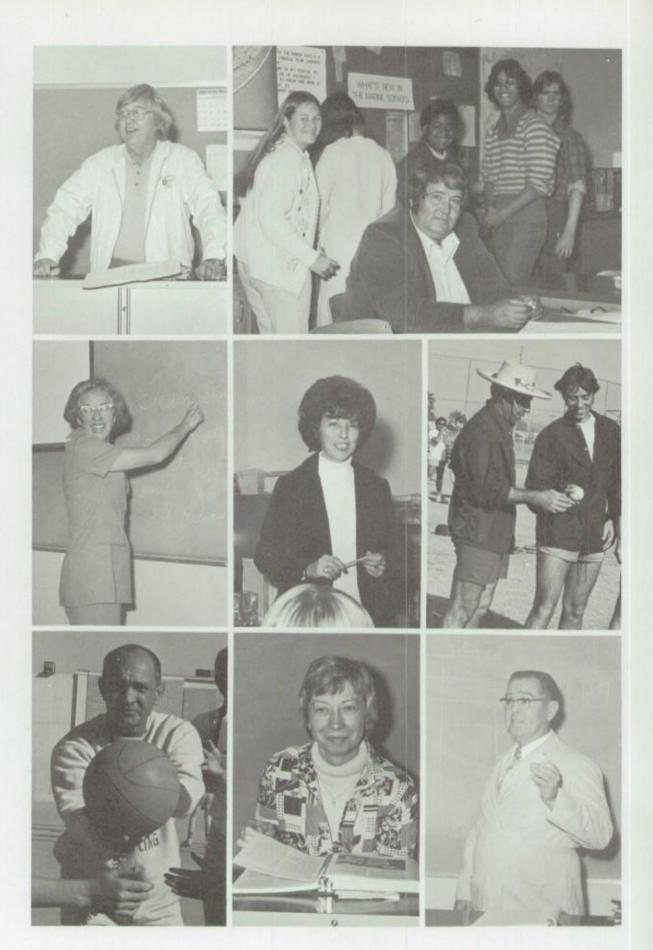

Teachers aid math pupils in laboratory

In its second year, the math lab proved even more successful as students used it for extra help and for its computer terminal.

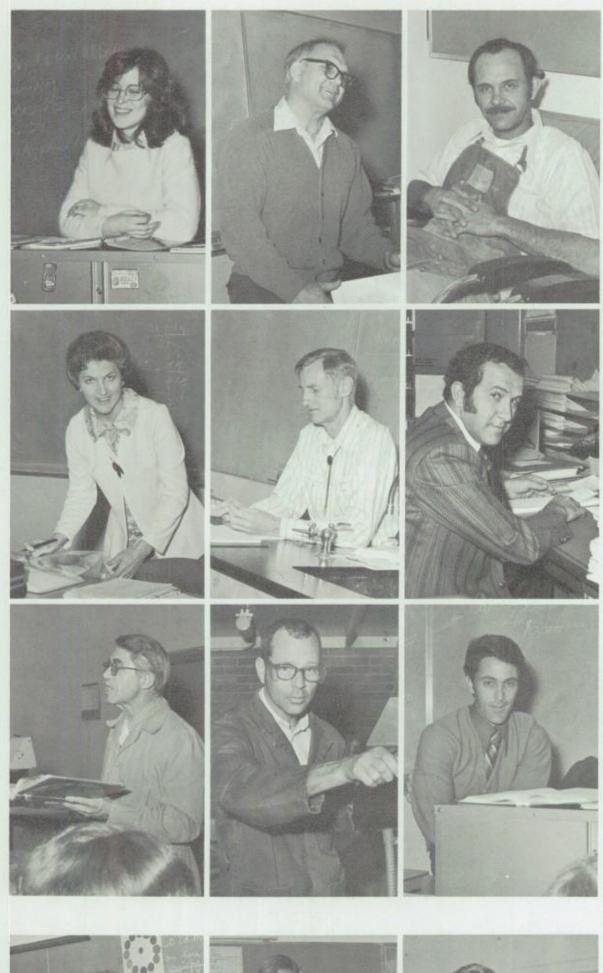

Mrs. Zoe Dodd retired from the Home Economics department during the year and was replaced by Mrs. Nancy Bass.

The Foreign Languages, Industrial Arts, and Music departments rocked along with few if any changes in offerings and no change in personnel although Mr. John Rebb replaced Mr. Tom Johnson as head of Industrial Arts.

Mr. Al Harris joined the staff as a community resource person. He is a probation officer.

Panthers tie state champions defeat Central in best games

Many quotes from coaches, students and players are available, but the phrase that best sums up the 74-75 varsity football team is the old cliche All's well that ends well.

Unfortunately for the Maryvale Panthers, the season ended well, just a little too soon.

As far back as their frosh years, players were saying this was the year Maryvale was going all the way.

Omitting 17 seconds of the season they had a chance of putting it all together. Going into league play the Panthers (who were ranked third in the state preseason) owned a disappointing record, of two wins, one loss and two ties.

Further disappointed lay in store for MHS dropping the first league game 20-7 to the rebels of South Mountain. The annual rivalry between Maryvale and East High was next on the itinerary. Maryvale put forth its best effort, leading the Longhorns 25-14 until the final 17 seconds only to be scored upon twice and beaten 28-25. Thus ending their playoff hopes.

With nothing to look forward to the Maryvale Panthers went on the rampage.

In the basement of league B standings, Maryvale went on to defeat AAA newcomer Tolleson, while the North High Mustangs became victim #2.

In their best offensive effort of the season the Panthers ripped the Mustangs 46-6. Howard Greathouse scored three times in the contest, boosting a Maryvale ball carrier into the top twenty scorers for the first time this year.

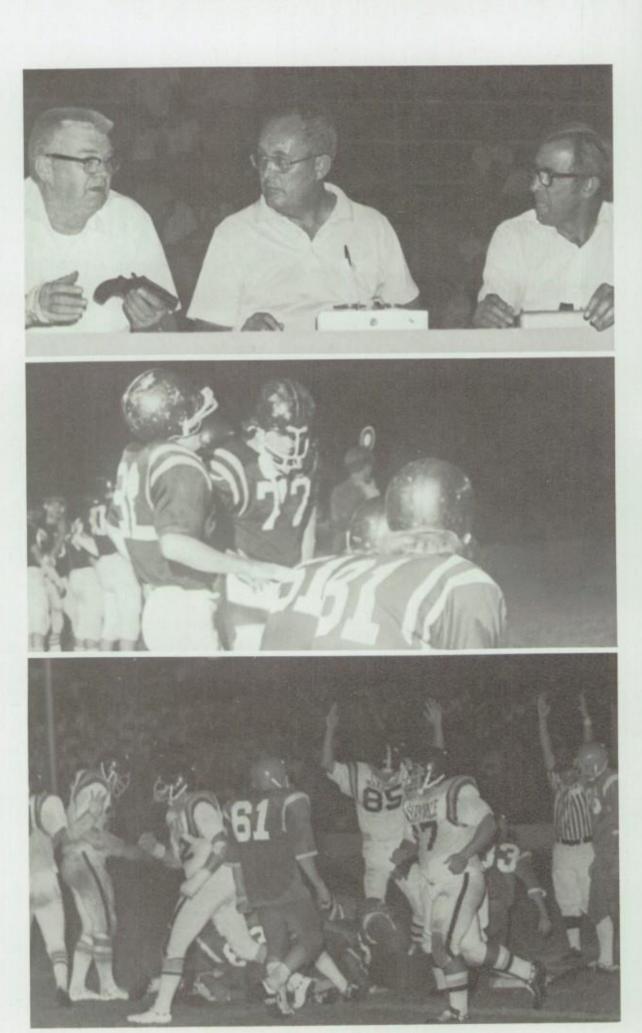

The final game of the MHS season caged the Panthers against the Bobcats of Central the undefeated league leaders. Maryvale now had the respect of the Bobcats as well as a feared reputation.

Central led Maryvale 14-7 until the last 58 seconds when the combination of the passing of Mark Schuster (who hadn't played since he broke his ankle in the intersquad game), and in the running of sophmore Dick Harkins scored to bring MHS within one point. The two point conversion attempt was good leaving the Panthers with a 15-14 victory over the favored Bobcats and a record of five wins, three losses and two ties.

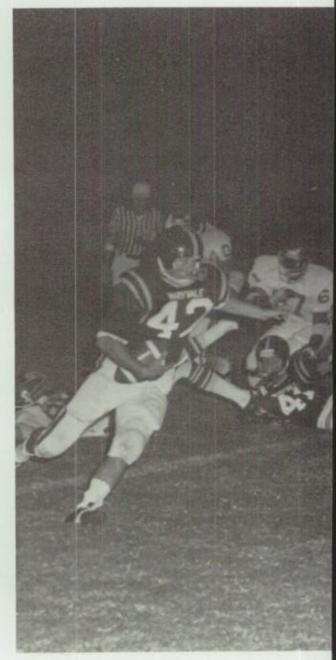

The playoff for Phoenix Division champ pitted Central and soon-to-become state champs Camelback. Maryvale, who had defeated and tied both the champions, (respectively), was left with only the memory of the fatal 17 that kept them out of the playoffs and the thought of what could have been.

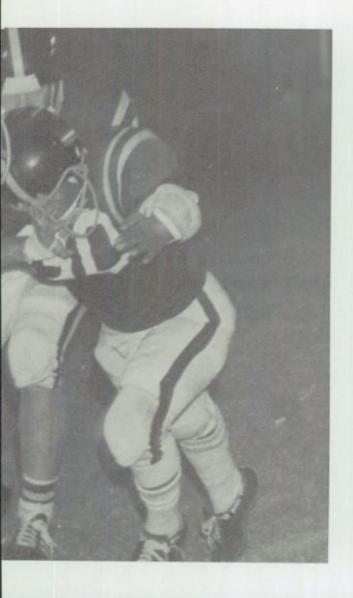

There is another old, trite, cliche that usually follows up 'All's well that ends well;, it goes we'll get em nex year.

Basketballers improve rating to 8th in State

Dribbling, dilemmas, deliberation, and the downfall of eleven valley schools brought the Maryvales' basketball schedule to an early end this year.

Highlighting the cage season was the dynamic play of Bruce Kriese, the deadly shooting of Dave Babcock, and the defensive play of the MHS guards. Not to mention the rumors of lawsuits, firing, hiring and dishonesty among the high school basketball teams.

Anyway, going around the controversy, Maryvale finished their season on a high note, (if

losing is a high note) falling to Unbeaten, Untouchable East High School 70-66, the closest the Longhorns had come to losing all year.

Starting for the Panthers 74-75 squad were Dave Quihuis, and Dave Babcock in the front lines, Mitch Chilton, and Jim Walker at backcourt and Bruce Kriese, Maryvale's leading scorer, in the lane.

Maryvale climbed from an unranked position to the number 8

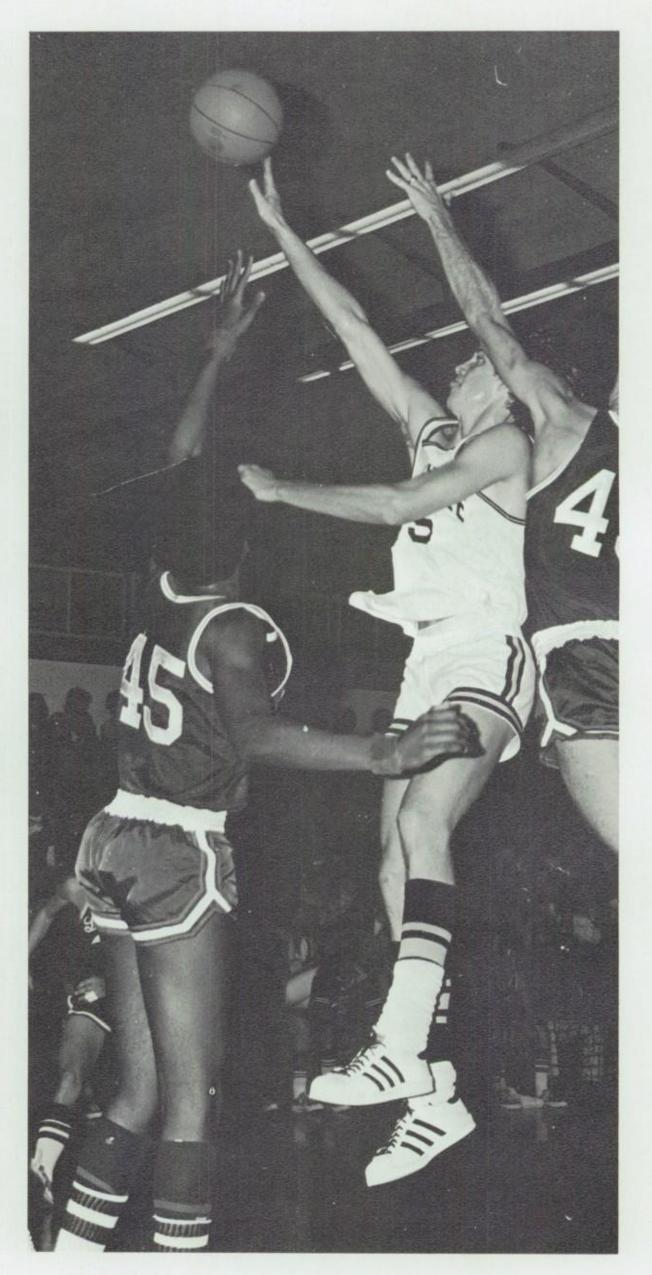

team in the state before their ejection out of the playoffs after a preseason scrimmage.

The dribbling, dilemmas, and deliberations are all over with for this year's Senior Cagers but if there was one thing you can say for the Varsity Basketball team, the season was not an unexciting one.

Dual season is a breeze for grapplers

We said we were going all the way and we went all the way-to division.

Ever since Rick Johnson transferred in from Colorado the Panthers have turned hunter, after the state title.

The second attempt Maryvale's grapplers resulted in a division championship only to be turned away in the State tourney by Pueblo.

When ever you spoke of wrestling at MHS you had to

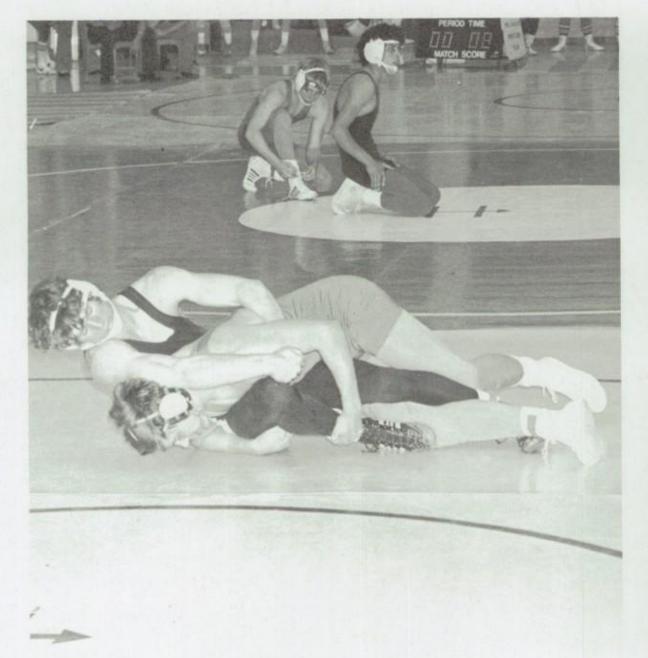

mention Baby Ray Arthur who pinned his way through his first six matches.

It came down to division-Maryvale champions were Tom Wood at 101 pounds; Arien Best, 130; Tim Hampton, 147; and Jack Housely at 182.

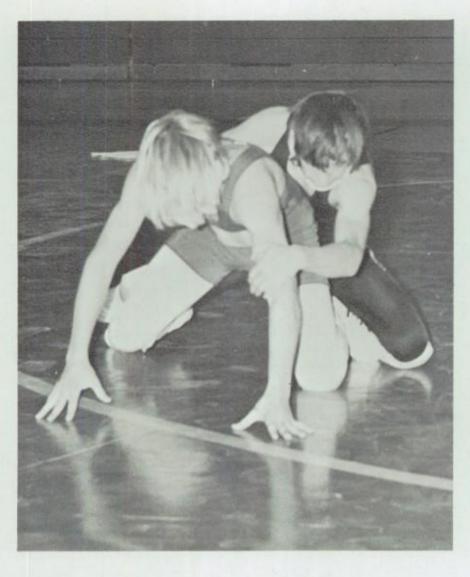

Second places went to Tim Hoyt, 115; Ed Mills, 170; and Lee Wilke, 194. Fourth places went to Ruben Urias, 108; Jeff Davis, 158; and Baby Ray, Heavyweight.

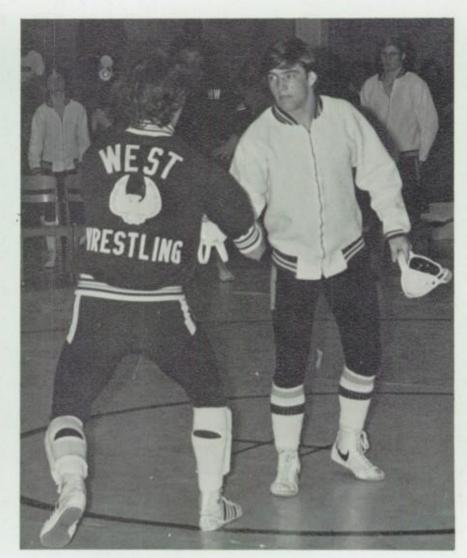

Maryvale looked great going to state with 10 wrestlers and seeded third. However, the Panthers faltered and gaining only two fourth places in the tournament, Hampton and Wilke leaving the State grappling crown for Pueblo.

This years Student Government started the year of with fun and games for the students in the form of Homecoming and Christmas week. They then got down to more serious matters with Pride week.

It was started by a letter from a "concerned student" about the trash and vandilism at Maryvale. It was hoped this would start pride and caring in our school. During the last week in February we were besieged with Safety week. It included pedestrian safety, bike day, motorcycle demonstration, etc.

The Student Government of Maryvale and Browne got together with a Interschool Council hoping to make relations between the two schools better.

Richard Kemper was sponser aiding the students whenever needed.

Newswriters fight deadline, budget woes

When walking into Room 214 during 7th hour, watch out, it could prove to be an experience. There is Mr. Stinson adoring his justowriter and Editor Tom Muncy, while staffers run in and out busy with their work.

This years staff was hit hard with money problems and competition from the "Penny Press". But the staff worked diligently to make each paper a sucess.

Yearbookers burn midnight oil regularly

The funny thing about yearbooking is the hours of last minutes. This year was no exception as the staff tried to keep up with last minute deadlines. It started when retakes arrived five hours before mailing time. Staffers stayed up at all hours of the night finishing copy or photographs. But all had a happy ending, as Editor Debra Skaggs soothed Advisor Earl Stinson from many fits of rage.

As editor of this year's Panthorian I have tried to capture all the good times and memories here at Maryvale. As Maryvale seemed to double in size it was more difficult to reach everyone, I hope we have not left you out.

I wish to thank my staff, Advisor Mr. Stinson, Photographer Roger Williams, Tom Muncy, family, and friends for their help in making this book.

With this book remember one of your best years at Maryvale, one I'll never forget. Someday we will be getting it together again.

Delna Skaggo

and I love you very much (We've had a lot of good times, and I hope we can keep on having them. you know that I won't get mad at you if you take another girl to the racesor aregiverere else ... but please don't forget me-of me tok? fust knowing you has made me a lat Rappier. You know that I'll never forget you don't you? Well-I don't know what else to soy except stay cute, sweet, nice, and I Love fou Very Much! Lun ya always, Susan P.S.-I'll peres quit coming to the races to watch you race. and I hope that you'll like me as long and likeyou.
